## EDITORIAL

**S**ad news this month, as we mourn the passing of legendary glamour photographer Stephen Hicks, 58. A veteran of *Club* and our sister titles, Malibu native Hicks was a firm favourite with our readers and with the models who worked with him. We'll be all the poorer without his wonderful and unique take on glamour, something you can witness on page 91 with a fine set of Dani Daniels. We wish his family all the best.

Dear Club,

My boyfriend and I decided to go away on holiday to beat the winter blues. We got a cheap last-minute deal to a resort in Spain, where there wasn't much to do but sit around the pool getting a tan. We went out each night eating and drinking, then back to the hotel for some good, long sex sessions.

Whilst we were recovering by the pool each day, we kept seeing the same faces from the hotel. One girl was incredible to look at, with long blonde hair, an hourglass figure and perfect tits that I was sure were implants. She seemed to be alone, and Mike couldn't keep his eyes off her. She, in turn, seemed to always be looking in our direction, until one day she finally came over to speak whilst Mike was asleep up in our room.

She was clearly from Germany, but spoke near-perfect English, asking, "Where is your man, today?" As she stood over me, I felt a funny twinge of excitement just looking at her perfect body as she stood sexily with her hand on her hip. "He's asleep," I replied, to which she answered, "Oh good," and sat down on the edge of my sun-lounger.

"Have you seen me looking at you?" she inquired, her accent seeming stronger than before. Not sure what to say, I hesitantly replied, "Yes, I think so." Her breasts were almost in my face as she leaned in to me and whispered in my ear, "You are very attractive. Can we have some fun while your husband sleeps?" I was certainly not expecting the question, and could only answer, "He's not my husband." I'd kissed and fondled with

girlfriends before when drunk, but had never been propositioned by one so brazenly. However, I felt turned on by this gorgeous girl leaning over me as the sun shone down. I was soon following her to her hotel room.

On the bed, we writhed around kissing and groping each other in our bikinis. Her breasts were real, and touching them was amazing as her skin was so soft. Our bodies were salty from perspiring in the sun, and I could taste it when I kissed her neck. It felt so natural that I was soon snogging her passionately and running my hands over her curvaceous bum. "You're so pretty," she murmured into my ear, which made me feel amazing and encouraged me on further.

Rolling me on to my back, she kissed my nipples through my bikini top, before pulling the material away and putting her mouth right around them. She moved her head

down my body, pulled my bikini bottoms off and gently kissed my mound. Once they were off, she parted my legs and began to lap between them. Her tongue felt like velvet as she tenderly licked me, every so often curling it against my clit. The combination of her tongue and fingers was sending waves of pleasure through my body and I began to moan loudly. Her manicured fingers were making delicate scratches on my stomach as she ran her hand over it.

Soon, she was turning me over onto my front, and lifting me to my knees taking my pussy directly against her face. With my arse now exposed, she was taking long strokes between my holes, causing my sphincter to twitch and contract. I felt her fingertip toying with my anus, which I loved, and turned round to nod my approval. Pushing it in my bum slightly, my muscles eventually relaxed until

she had her fingertip inside my tight hole. The way she touched and played with my cunt and arse was incredible. I was only snapped back to reality by her asking "You want some cock now, huh?" She bounded over to the chest of drawers at the side of the bed. Pulling out a strap-on with a fairly wide girth, she slipped it over her thighs and got on her knees behind me. I wanted to watch, so reached for the bedside mirror and angled it so that I could.

Watching her drive the rubbery shaft into me was sensational, and as soon as she gripped my hips I was pushing back against her. Her tits bounced gently at first, but they were soon heaving up and down as we got increasingly wild. She'd obviously had a lot of practice as she soon had me at the brink of climax.

The backs of my thighs were slapping against hers as I got ready to

## SOCK PUPPET!

Dear Club,

Wow, Sasha really is back, isn't she? I'm a big fan of knee-high socks on a woman, so to see my favourite ever *Club* girl wearing them was a real treat. Although I can't pretend I'm not a little disappointed you didn't merge her shoot with the also-lovely Natasha. A lesbian romp between those two would make my year. Peter, Bicester

*We'd never thought of that, Peter, and now we're a bit annoyed at ourselves that we didn't make that happen. But who knows what the future will hold? Well, we can tell you you'll be seeing both these wonderful babes in Club again very soon...*

## PICK OF THE PICS!

Dear Club,

I've been reading *Club* since the 80's, and while it has had its ups and downs, I've never missed an issue. Over that time, I've got many favourite girls, favourite photosets and favourite pictures. But I just wanted to let you know that after *Club* 42/3, I've got a new champion. That picture of Hayden about to taste Malena's succulent pussy on page 37 might be the sexiest thing I've ever seen – especially within the context of the pictures on page 36. Keep it up!

Ali, Peterborough

Thanks Ali. No surprise that picture was taken by the legendary Hicks, who passed away this month (see the Editor's Letter for more), and who was so amazing at capturing the sexuality of stunning women. That's what we live for!

cum. My shoulders shuddered first, followed by my hips, as I drenched the dildo with my juice. Her arms were around my body, gripping my tits hard, my nipples between her thumb and forefinger. She made sure my orgasm lasted for ages, kissing my back of my neck until it subsided.

Looking back in the mirror, the sight of this model woman still in me from behind sent one final spasm through my body. Taking the shaft from out of me, I turned her round on to the bed, kissing her full on the lips as a means of thanking her. I then began to work on her tits, just like she had done with me. I think you can guess what happened from there!

When I returned to the pool alone, Mike was there, asking me where I'd been all this time. I just had to tell him, even though it took about an hour until he believed me. Soon the girl came strutting back down to the pool in an even skimpier bikini than usual, and smiled knowingly in our direction. Mike's mouth was wide open, and I don't think I've ever seen him so jealous!

**Y**ep, there's a new fox in town. Staci Silverstone makes her debut in *Club*, only a couple of months after making her debut in US porn films.

"Yeah, it's been a whirlwind few months and I'm having a blast," the hot Yank tells us. "Sex everyday, posing for you, it's a dream come true. I've just got one wish – I want to work with Mia [see page 42]. She's the only girl I've seen who's as flexible as me. We could have a wild time..." ♣

# club's ROUGH GUIDE

Spring has sprung and the sporting world has finally come to life. Can Matt Loxham keep up with all the exciting events that March has to offer? Why of course not – but at least he's had a go...

## Cheltenham Festival

March 12th to 15th

It's one of the biggest piss-ups in sport, a four-day bender awash with betting, booze and blarney. Around a quarter of a million people attend 'The Festival' each year, drawn by the quality of the racing and the legendary Cheltenham Craic. Irish success on the track and the fact that it all happens around St Patrick's Day ensures an annual mass exodus from the emerald isle, guaranteeing queues at the Guinness tent, the odd leprechaun (probably), and, of course, a raucous atmosphere that culminates with the famous Cheltenham 'roar' on the big Gold Cup Day.

The Champion Hurdle, the Arkle, the Queen Mother Champion Chase... Massive race follows massive race over the tough Cheltenham course, but the undisputed 'Blue Riband'

romp of the whole shebang is the Gold Cup, run over a testing 3 miles and 2 and a half furlongs and open only to horses over five years of age. This is the one that made legends out of top-class equine talent such as Desert Orchid, Best Mate and Kauto Star, and the one that all the trainers and jockeys want to have on their CVs.

This year's renewal is a fairly wide-open affair, with recent Hennessey Gold Cup winner Bob's Worth many a punter's pick along with Sir Des Champs, who was impressive when landing the Irish version of the Hennessey at Leopardstown in February. Slightly further back in the ante-post reckoning are Imperial Commander and Long Run, previous winners of the Cheltenham Gold Cup in 2010 and 2011 respectively. Me, as usual I'll be having 50p each-way on the horse with the funniest name, which at the moment is Bog Warrior.

Shirts will be lost on a race where little can be guaranteed, although over the course of

The Festival certain things can be predicted with a degree of confidence. 200,000 pints of Guinness will be quaffed, over 150 million quid will be fluttered, and a whole load of Irish people will have the craic of a lifetime – whatever the results.

## Formula One

Australia and Kuala Lumpur  
17th and 24th March

Shock, horror! The glamorous world of Formula One has been hit by the recession. Revenues are down, sponsors are scarce and several garages are struggling for cash – the next thing you know Lewis Hamilton will be paying for his own petrol and Kwik-Fit will be doing the pit-stops. Indeed, apart from zillionaire Terrahawk Bernie Ecclestone, the only thing thriving in F1 at the moment is Team Red Bull, winners of the constructor's title for the last three years running.

Of course, much of Red Bull's

success can be attributed to the brilliance of Sebastien Vettel, champion driver for the last three years running, and the dependability of team-mate Mark Webber, a regular sight on the Grand Prix podium. Both will compete for Red Bull again this season, but can the dominance continue?

Well, not if Ferrari and a resurgent Fernando Alonso have anything to do with it. Alonso finished just three points behind Vettel last season, and the super-competitive Spaniard will be going all out to top his German rival in 2013. Much will depend

on the support of Alonso's team-mate Felipe Massa, who by all accounts is motoring in pre-season practice.

Flying the British flag, Jenson Button will be hoping for some consistency in the McLaren after spending far too many Grand Prix floundering around at the back of the field in 2012. As for Lewis Hamilton, the success

of his big move from McLaren to Mercedes hinges entirely on the quality of his new wheels. Mercedes only managed a distant fifth in the constructor's championship last season with the great Michael Schumacher in the hot seat, and this fact alone suggests that Hamilton won't be involved in the end of season shake-up along with Vettel, Alonso and Button.

## World Cup Qualifiers

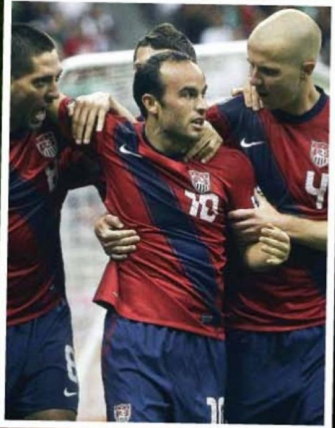

**Various Venues**  
**22nd and 26th March**

Everything has been a bit tepid on the England scene over the last few years. Overachievement at a couple of major tournaments turned to apologetic disappointment under Sven Goran Eriksson and then into frequent bafflement under Fabio Capello, and it's been left to reliable Roy Hodgson to rebuild

the team and get the fans interested again. The question is, can he assemble a group of players that possess the blend of class, determination and fight that saw England teams battle their way to the semi-finals of the World Cup in 1990 and the European Championships in 1996? I'm thinking no, but hey – let's give the man a chance!

At the Euros in Poland and Ukraine last year Hodgson's men were given an embarrassing lesson in possession by Italy, suggesting that his England side were some way off challenging the world's best, and then the national disappointment was compounded when qualification for the 2014 World Cup kicked off in a fairly laborious fashion.

Encouraging, yet expected, 5-0 victories over minnows Moldova and San Marino were followed by frustrating draws

for vast improvement in their first competitive games under new manager Gordon Strachan against Wales (placed second-bottom) and Serbia respectively. Northern Ireland are in a similarly dire position, winless in qualifying and with Russia looming on the horizon. The Republic of Ireland, who lost 6-1 to Germany earlier in the campaign, sit third in their group and face second-placed Sweden in a must-win clash. For all the 'home' sides, Brazil 2014 must seem a long way away...

**Factor in a poor friendly defeat in Sweden and a famous win over Brazil and it's no wonder English footy fans are in a state of exasperation"**

against Ukraine and Poland – the latter a match that Poland arguably should've won. Factor in a poor friendly defeat in Sweden and a famous win over an admittedly weakened Brazil at Wembley, and it's no wonder English footy fans are in a state of exasperation. In this World Cup double-header, a victory over San Marino should be a formality, although Montenegro – who currently top England's group and seem to improve year on year – might be an altogether tougher prospect.

For all the moaning, perhaps we should spare a thought for Scotland, currently rooted to the bottom of their group and looking

## American Girls Love Euro Cock (Private)

If American girls love Euro cock, it's the first we've bloody heard about it! 'Ooh, we love your accent', they say. But they never go on to say, 'Ooh, we love your cock too'. Maybe it's just us. Asa Akira is one of the biggest stars in porn right now, and she heads this up, some continental cocksman rocking

up to plug her, Arian Austin, Presley Hart, Adrianna Luna and Mia Gold. It's not amazing stuff, but in an era when new movies from Private are a rarity, it's to be treasured. Even if Asa has never loved our cock. ★★★★★

## Your Hot Mom (Bluebird)

MILFs face off against penises in this fine inter-generational fuck-fest. It's good to see MILFs that actually look like they could have sired children – some companies are so keen to cash in on the name they're dropping 18-year-olds into the mix. Yeah, we know there are 18-year-old mum's out there, but it's still cheating. And they don't know their way around a dick the way Tanya Tate or Devon Lee do. Blighty's own Tanya puts in the best scene as well. Rule Britannia!

## Sluts On The Clock (Harmony)

Welcome to the seedy world of pornography, where smut is made and sold. So reads the blurb on this workplace effort from Gazzman and Harmony. Let's go on the record – our office is nothing like this. Can we work with you, Gazzman?

**A**s far as we're concerned, Tiffany Thompson could have been a catwalk model. She's tall, slender and drop dead fit as fuck. But we're glad she didn't take that route. Yeah, she might have become a highly paid supermodel, jetting to fashion shows and hanging out with the rich and famous. But think of the downsides: She wouldn't have *Club* readers checking out her tits and fanny, would she? She wouldn't have ace snapper Holly Randall arranging her wonderful bits for us to enjoy. ## 247°F

(Anchor Bay, DVD £15.99, Blu-ray £19.99)

On paper the formula for *247°F* should make for an intense and captivating film but, alas, it doesn't quite transfer, unlike Adam Green's claustrophobic thriller *Frozen*, which followed a similar plot pattern but with plummeting temperatures and rooted us in our seat. *Frozen*, however, projected well-rounded characters, acted with insight. By comparison, *247°F*'s characters lack depth, interplay and scope to develop which, considering 'three pretty people trapped in a sauna' sums up the plot, might be an issue.

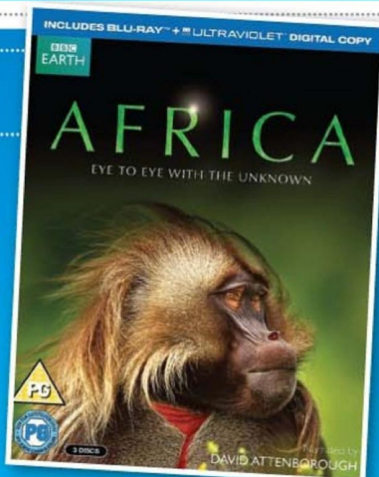

*247°F* also seems to have confidence issues; there is a constant flicking between tiny, sultry room and wide-open spaces filled with the tedious goings-on of the rest of the cast. We appreciate that this is a tactic often used to build suspense, to either create an ominous edge or provide the potential anticipation of a rescue, but all it succeeds in doing is losing its claustrophobic atmosphere, making that poky room seem a lot bigger. The labored dialogue, barely existent conflict between characters and the shortage of drama, creates a gaping void in this film's overall impact and after forty minutes I was praying for the end. With such a strong concept as regards the plot, this story demands a richer screenplay, not below-par filmmaking. ★★

## Africa

(2Entertain, Blu-ray £21.99)

The legendary David Attenborough shows few signs of slowing down as he presents another masterful must-have for the shelves already groaning under the weight of his previous excursions. The BBC Natural History department can rightly be proud of this stunning, 5-part exploration of Africa. Our only gripe? The 'Behind the Scenes' bits are great, but should be separate extras, not part of each episode. A minor quibble though. ★★★★★

## Argo

(Warner Home Video, Blu-ray £15.99)

*Argo* doesn't seem to be the most popular winner of the Best Film Oscar we can remember – although we loved it. Perhaps the critical indifference can be put down to the lingering 'Bennifer' affect, but *Argo* proves that Affleck is a serious director, and this true life (if liberally tweaked) tale of a covert operation during the Iran hostage crisis is handled with aplomb. Ripe character acting abounds, there's a surprising amount of humour, and it's refreshing to see a film with a light touch be winning plaudits. ★★★★★

## Monsters Inc.

(Walt Disney Home Entertainment, Blu-ray £16.79)

Is this really 11 years old already? Making its debut on Blu-ray, this still appears as fresh as if Pixar's finest minds had created it just yesterday. The genius conceit of monsters Sulley and Mike scaring children to generate energy leads to a delicious riff on childhood, packed with laughs and cracking central performances from John Goodman and Billy Crystal. A hi-def joy. ★★★★★

## Rust and Bone

(studiocanal, DVD £12.00, Blu-ray £16.99)

Jacques Audiard goes 3 for 3 with *Rust and Bone*, proving he's one of the finest living directors. Marion Cotillard and Matthias Schoenaerts propel the troubled love story, one based upon shared adversity, with Cotillard's Stephanie a whale trainer who suffers a grievous and life changing injury. Spellbinding. ★★★★★

## Sinister

(Momentum Pictures, DVD £17.99)

Snuff films in the attic? *Sinister* is a step up from director Derrickson's previous two films, although it won't be giving you sleepless nights. Crime novelist Ellison Oswalt (Ethan Hawke) relocates his family, moving them into a house where a notorious multiple homicide had taken place, with the hope of writing a best seller. The score won't endear you, but the film keeps good pace. ★★★★★

## A Hologram for the King

Dave Eggers (Hamish Hamilton, £18.99)

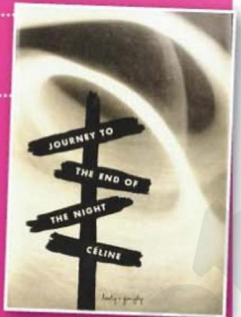

A welcome return to fictive form for Eggers after some excellent non-fiction works masked the weaknesses of *You Shall Know Our Velocity*. In Saudi Arabia, American businessman Alan Clay contemplates his life, his work, his family and his failures. The book takes shots at Saudi Arabian culture, but not cheap ones, and the real thrust of the book is the demise of American industry, and one man's soul.

## Journey to the end of the night

Louis-Ferdinand Celine (Alma Classics, £9.99)

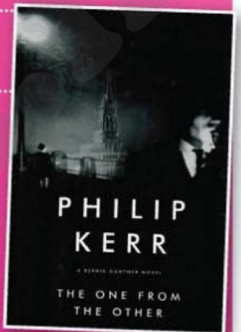

Seen as loosely autobiographical, Celine's nihilistic classic is a blast of fresh air. It follows the wanderings of Ferdinand Bardamu, through World War One, to colonial Africa, the USA and to Paris. Wherever he is, Bardamu expresses his disgust at humanity, finding little solace or balm in the world. In many ways, it's a bleaker companion to *The Catcher In The Rye*, and just as much fun to read.

## The One From The Other

Philip Kerr (Quercus, £7.99)

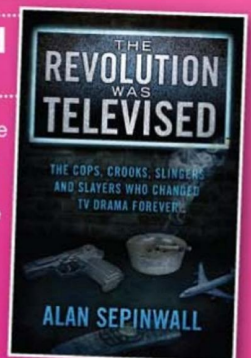

Kerr's very fine Bernie Gunther novels are Chandler relocated to post-war Germany. Taut, terse and packed with untrustworthy characters, this is 1949 Munich in tatters and ruins, peopled with black marketeers, Nazis hiding in plain sight and the weary, desperate Gunther trying to make a living. Hard-boiled until the pan is dry, this character and this writer keep drawing us back for more.

## The Revolution Was Televised

Alan Sepinwall (Simon & Schuster £10.99)

The finest collection of TV criticism since Clive James' heyday, this is a good introduction to the writings of esteemed US critic Sepinwall, but also the best overview yet available of the recent quality revolution in US TV. Sepinwall guides us through *The Wire*, *Deadwood*, *Mad Men*, *Breaking Bad*, *The Sopranos* and more, shows that have changed the way we consume television. ♣

## The Thing

(Universal, Blu-ray £13.99)

Having seen a scratchy print of this at an outdoor cinema recently, it's great to see *The Thing* in cleaned up hi-def. It might still be John Carpenter's finest hour, a film that combines sci-fi with body horror in a way that would make Cronenberg proud. The Carpenter/Kurt Russell collaboration threw up several other great films – *Assault on Precinct 13*, *Escape From New York* – but this stands the test of time as the finest. ★★★★★

Instagram, Hipstamatic, smartphones – these things have changed what people think of as photos. But, as any fule kno, you get what you pay for, and all the apps in the world can't turn a bad photo into a classic one. No, you need a good camera for that, and the Sony NEX5R is a pretty damn good mid-level one. It's compact – if not exactly pocket-sized – but delivers professional looking results. The touchscreen tilts and is highly responsive, opening up a bunch of options, while the sensor size means images are sharp. Sorry, you can't play Angry Birds on it.

[www.korg.co.uk](http://www.korg.co.uk)

It might look, at first glance, like one of those cheap Bontempi keyboards you had on your Xmas list as a kid, but the MicroKorg XL+ is actually a pretty serious piece of kit. You don't have to be an 80's nostalgist to appreciate the sounds this synth has to offer, as you fiddle with the mellotron and – yes! – the vocoder. The pre-sets are all good – you can even get your dubstep on – and any bedroom musician can pretty much do everything they want by hooking it up to this. It's definitely going on our xmas list.

**Pros:** It has a vocoder, therefore it is amazing.

**Cons:** Build quality isn't exactly top notch.

## iPhone 5

[www.apple.com](http://www.apple.com)

Early adopters rejoice, the iPhone 5 is here, complete with all the incremental improvements you don't really need but will use as justification for dropping a major chunk of change on a phone. There's no real need to upgrade, but if you're new to iPhones, there's much to love. The display is lovely, it's lighter than ever, you can access 4G networks, Siri is improved. On the downside, Apple have introduced a new charging port, making all of your old cables redundant, and there are major issues with the maps. Still, it's generally a lovely, intuitive thing.

**Pros:** Camera is great, apps a joy, display brilliant.

**Cons:** New port is annoying, battery still crap. ♣

You’ve clearly thought about this a lot.

“I used to be a set stylist for photographers and they were always rushing to get the girl totally nude. I told them to slow down. Sex is all in the anticipation. So, I might not take all my clothes off, but we can still have a whole lot of fun.”

She also gets nude a lot, and does rude things when she's nude. And if you were in any doubt as to her amazing sexiness, she's incredibly flexible and gymnastic as well. **LENA** 

Politics and pussy...

**W**hat with Lena making her debut in *Club*, we thought she'd want to make chit-chat about how delighted she was to be in the world's best glamour magazine, before segueing into some sexy talk about what she likes to do in bed. We misjudged her. No, she's all sparky and political and it was all we could do to steer her away from raging at Cameron's decision to distance us from the EU, the Bank of England's policy on interest rates and the LIBOR scandal. In the end, we managed to distract her enough to say, "I love being in *Club* and I like sex in the bum!" Job done. ♣

## WET AND WETTER!

The rain was horizontal as I ran across the car park. Even with an umbrella I was barely keeping my top half dry and it seemed a long time since I'd been luxuriating under the hot shower at home. I thought back to the leisurely breakfast, the toast and coffee and cursed myself as I ran. If I'd got a move-on, I would have been at my desk looking out at this sharp shower rather than running through it. I stood dripping in the lobby waiting for the lift and examined the damage – I was soaked to the skin from just below my crotch. Why had I chosen to wear jeans? They creaked as I shuffled into the lift. I pressed 'three' and tried to think of something – I didn't want to wear wet jeans but the only other option seemed to be to spend a day in the office in just my knickers. I laughed at the image – at the cheap thrill it would provide for the rest of the team.

An umbrella appeared in the gap just as the doors were closing. The doors opened to reveal Richard. "Glad to see that I wasn't the only one," he said cheerfully, looking down at my legs. Now that I looked, I could see his black trousers we clinging wetly to his legs.

I narrowed my eyes at him. "Thanks," I said, allowing some of the annoyance I was feeling to slip into my voice.

"Haven't you got something you can change into?"

"No, not really – who keeps a change of clothes at the office?" I asked sarcastically.

"Me," he replied with a shrug. I could have throttled him. "I might even have a spare pair of tracky bottoms which I could lend you." I leapt at the kind offer... only it wasn't an offer, it was a trap.

"Pardon?" I asked, feeling the heat rising in my body. Richard was holding the pair of tracksuit bottoms but had just revealed the terms of lending them to me.

"I need you to give me your jeans first, as collateral."

"And how am I supposed to do that?"

"You just take them off and give them to me."

"You want me to take off my jeans... in here?"

"Yes, it's quite easy. Watch." And watch I

did as Richard kicked-off his shoes, unbelted his trousers and dropped them on the floor. "See? Easy." I felt myself blushing as I looked down. Richard's blue boxers were undeniably two shades, dry and wet, and they were bulging.

"Your... err.... boxers are wet." It was a challenge; he'd been expecting me to strip to my underwear, now I found myself demanding even more from him.

"So they are. I suppose they'll have to come off too." I took a sharp intake of breath as he whipped them down his legs and stood-up, leaving a fully-erect cock pointing at me. I was genuinely shocked, incredulous at what had happened, at what I was seeing.

"Your turn," Richard said, grinning. My fingers worked the buttons of my jeans and he watched as I wriggled out of them. Was he going to try and have sex with me? If he did, would I let him? My body already knew the answers to both questions. I knew what I wanted and went across his office to make sure the door was locked.

"Is your pussy wet?" he asked, cheekily. Not my knickers – my pussy. I perched on the desk in front of him, pulled my knickers to one side and used my fingers to spread my labia. As he watched open mouthed, I inserted my middle finger, using it as a dipstick. It came out glistening with juice and I held it up for him to see. Richard gripped my wrist with both hands and took my finger into his mouth. I loved the way he did it, the enthusiasm, and the hunger. I knew what he wanted from me.

"May I?" he asked softly, looking deep into my eyes. I nodded, my fingers gripping the desk as he dropped to his knees, facing my crotch. He didn't go for my pussy right away; he started by kissing my knee, working slowly up my inner thigh. It's a very sensitive area for me and I was desperate for more by the time he reached the material hiding my pussy. I will never forget the way it felt as he

lightly kissed the damp material – it was a deliciously teasing mix of ecstasy and torture – enough to stimulate but not enough to satisfy. My crotch pushed out against his mouth, desperately trying to heighten the sensation but I only got true pleasure when Richard finally eased the wet material aside.

He licked and sucked my pussy in a way that drove me wild. His tongue was hard, then soft; moving with little licks and then great sweeping circles. Forgetting where I was, I started to moan, both to show my appreciation and to encourage him. So what if someone heard? I grunted happily as I felt pressure being applied to my hole and two fingers slipped inside. My hips lifted off the table and pushed down against the penetration and his mouth. It felt amazing – but I wanted more. I was on the edge of an orgasm which broke as Richard sucked my clit into his mouth and tapped the exposed

“ He withdrew and I slipped off the table, on my knees, offering my open mouth to him ”

button with the tip of his tongue. I wailed, my fingernails biting into the desk as I forced my crotch into his face.

Before the orgasm had properly subsided, Richard was moving up and over me. “I need to fuck you,” he growled, even as his cock was slipping inside me. This was the kind of sex I had often fantasised about: hard, passionate and hungry. Richard’s hands found my knees and spread my legs as he pushed his cock deep inside me. “Ooooooh fuck!” I watched Richard’s face crease with the effort of pounding into me.

“When I cum, I want to shoot it all over your face.” My pussy clenched in response to his dirty words.

“In my mouth,” I corrected. “I want to swallow it all.” The words made him groan with desire. The speed of his stroke increased just when I needed it most. I came again. The pleasure was harder and sharper this time; more satisfying as I rubbed my clit even as Richard continued to fuck me. He withdrew and I slipped off the table, falling to my knees, offering my open mouth to him. He had perfect aim – that first dollop of cum landed on my outstretched tongue and he shoved his cock into my mouth just as the second salvo fired. I sucked hungrily, wanting to

take his seed from him and demonstrated my oral skills by extracted every ounce of pleasure for him.

“Well,” he said, and I returned the smile after I’d swallowed for the final time. “I think you’ve more than earned these.” He handed over the tracksuit bottoms. I’d almost forgotten how this had all started. I tugged them on – they were black and once I’d adjusted them, they were pretty respectable. Richard was wearing a matching pair by the time I’d finished. “Feel free to pop in later to pick these up,” he said, holding-up my soggy jeans for inspection.

“I take it there’ll be a collection fee?”

“I’m sure we’ll be able to come to some arrangement.”

#### **BRIGHTON COCK!**

My friend Hayley and I have been going out on the pull together ever since we looked old enough to get into pubs. Over the past few years we have shared more than a few stories and naughty situations together. The one thing we hadn’t shared before, however, was a bloke. We were chatting about this, when Hayley suggested that we break a habit of a lifetime. I was even more surprised when she explained what she meant! She finished by saying, “We can’t let the men go round

thinking they're the only ones who can act like that."

The next time we were out in our local late bar, Hayley was all over some guy, and he was desperate to get her out of there and back to his. "I can't leave my friend here," she told him when we were all stood together by the exit. He reluctantly agreed that I could go back to his as well, as he was clearly so desperate to shag Hayley. In the cab, Hayley was whispering stuff into his ear all the way back, and I knew his balls must have been aching with anticipation.

He had a really nice flat and made us both a gin and tonic, making stilted small talk with me whilst hinting to Hayley that he wanted to get her into bed. His final effort came when he said to me, "You can stay over you know, Emma, I'll make the spare room up for you, it's no problem." Hayley instantly interjected with, "Can't we both stay in your bed?" His only response was to laugh nervously, obviously waiting for me to protest. When I didn't, Hayley continued, "Have you never had two girls before?" Still not sure if she was joking, he slowly shook his head. "Well, we've never had one bloke together before," said Hayley confidently and leaned in to kiss him.

Watching them snog and grope each other on the sofa, I wasn't sure what to do, and felt a little nervous. Hayley motioned me over with her eyes and began to undo his flies, rubbing her hand over his dick as it bulged in his underwear. I walked over to them, and when I was close, Hayley reached out for my wrist and pulled my hand towards his crotch. His prick was straining to be released, so I pulled back the band on his Calvin Kleins, allowing it to stand erect.

As I began to work my hand up and down

## “ He rubbed my pussy as he pounded Hayley’s cunt, making her scream herself to orgasm ”

it, Hayley cupped his balls and started rolling them gently against her palm. The guy couldn't believe his luck, and uttered a breathless, "Fucking hell!" The next thing I knew, Hayley had slid down on to her knees next to me, and began to tease the tip of his pole with her extended tongue. His shaft was still in my hand and I found myself feeding my friend's face with his meat. Taking his cock out of my hand, Hayley removed her own lips and muttered seductively, "Are you going to taste it, Em?" His dick twitched like crazy as I took it in my mouth, and soon we were working it between us, passing it in and out

of our lips, one of us tonguing the scrotum whilst the other deep-throated. It was so horny, seeing how wild we could drive this guy we'd just met.

Hayley left me sucking him off whilst she stood up and took her skirt off, followed by her panties. I took it out of my mouth, allowing

her to steer his length into her snatch, sinking down on him so slowly that he moaned his pleasure. Hayley was soon fucking him like a woman possessed, and I was snogging him as he fondled my tits and nipples.

"Touch each other," he begged, and I turned to Hayley to see her reaction. She just smiled wickedly and replied, "You better fuck us both hard if we do, okay?" He nodded eagerly, and soon I was behind her kissing her neck and rubbing her big tits as she rode him. Her skin felt amazing, and it didn't feel strange at all touching my friend.

By the time I was touching her clit she was almost ready to cum, but she suddenly demanded, "Fuck us both on our knees," drew herself up off him and waited doggy style on the floor. I copied this position alongside her. My pussy was sopping wet from pleasuring both of them. My arse cheeks were touching hers, and he poked and rubbed my pussy as he pounded Hayley's cunt, making her scream herself to orgasm. She'd barely subsided when he pulled his cock from deep inside her and positioned it at my entrance. I just had time to part my own fanny lips before he was driving it inside me.

I needed it badly and knew he wasn't going to last for long, so I rocked back against him, my bum slapping against his thighs. Hayley was now urging him to make me cum. I didn't keep him waiting and soon I came, allowing

“He had his bell-end touching my open mouth as I continued to wank him off. I was using my tongue on the underside of it”

my juices to drench his cock. He immediately pulled out from me and sprayed his load over my bum.

Recovering from my climax, I just stared wild-eyed at Hayley, who was wanking the last few drops of jizz from his penis. We didn't need to say anything, but the wicked look she gave me summed up how much we'd both enjoyed it. We knew then that things would never quite be the same again. Now there's no limit to our fun!

#### **WILD WAITRESS!**

Since I took a job as a drinks waitress in a posh bar, I've had so much attention from the wealthy guys. I've always been highly sexed and love to be flattered by men. It certainly makes a change from getting hassle from customers like I used to at the old restaurant I worked in. Most of them are just too old for me to fancy though, however much money they might have. Nonetheless, you do get some young guys in there, who are single and have plenty of money to flash around.

Two guys around about thirty had been coming in for a couple of months, and always had girls in tow who looked beautiful, but simply hung on every word they said. One busy Saturday night it was no different, and the guys and their dates propped up the bar all night, drinking champagne and shots. I'd chatted to them a few times, but this time they both seemed more eager to chat than usual, asking me when I finished work and if I wanted to party with them. I was up for a bit of a laugh, so agreed, telling them I finished at one. I was very surprised, however, when they packed their girls off home in a taxi before closing and waited at the bar for me. I didn't care though, as I was now on my own with two hunky guys and was chuffed to have finished work.

After a few drinks at a bar nearby with a later licence, one of the guys, Tom, suggested we dive back to his for some cocktails. His apartment was amazing, and no sooner had I sunk down in his huge corner sofa than a perfect cocktail was being passed to me. After a few drinks more I asked them, "Why did your girlfriends leave?"

"Oh, they're not our girlfriends – anyway, they're boring," Tom replied. I giggled slightly,

and saucily asked, "How do you know I'm not?" Tom smiled and said, "Do you think we would have got rid of them, if we thought you were?" His friend, Alex, sidled along next to me and, taking the drink carefully from my hand and placing it on the table, began kissing my neck. My eyes were fixed straight ahead at Tom, who raised his eyebrows at me, just to check I was all right with the situation. Once my smile of approval had been delivered back, he was on the floor in front of me running his hand under my skirt.

Dragging my knickers back over my thighs, he pushed my skirt up and buried his face into my mound. His tongue began teasing my button immediately, and I clenched my bum cheeks rhythmically, raising my pussy against his face with each lick. My free hand was my left, which was clumsily fumbling for Alex's dick that he was freeing from his trousers.

Once it was out, he stood up on the sofa next to me, allowing me to reach around with my right hand. Once I had it in my grip, I began to masturbate it hard, inches from my face.

Edging forward, he soon had his bell-end touching my open mouth as I continued to wank him off. Dipping my head over it, I was using my tongue on the underside of his shaft as he gently fucked my mouth. It was incredible to be giving him this pleasure whilst my own pussy tingled from the tonguing it was receiving. That tongue was soon replaced with another dick, however, which parted me easily, before sliding into me.

With Tom now shagging me for all he was worth, his friend stepped out of his trousers and across my chest until his feet were either side of me. I could now deepthroat him head on, taking him really far into my throat. I

eased off on him, taking each ball into my mouth and licking under his scrotum, teasing his pulsing prick.

Suddenly, I heard an, "Oh fuck, I'm going to fucking cum!" from Tom, and I quickly took Alex from between my lips and breathlessly commanded, "In my mouth!" His face contorted with pleasure and, grabbing his meat tightly in both hands, he recklessly clambered up to me as Alex got out of the way. An almighty shot of spunk greeted my open mouth, and clamping my lips around it I

swallowed every last drop that he had to offer. I felt a new prick in my cunt pumping away urgently. The whole of my lower body went numb as I came heavily over his shaft.

"Can you take some more?" Alex panted at me, and with my eyes still glazing over I just nodded. Soon his cock was back in my mouth, squeezing the second wad down my throat. I was behaving so filthily now, that I insisted on keeping him there until I'd licked his foreskin clean. Tom had been wanking at the sight of this, and managed to produce a

few more drops of cum, which I slurped down from the tip of his dick.

My thighs were spread wide apart, sticky from all our sweat and my own juices. I had a spent prick in each hand, either side of my face, and had the taste of both their loads filling my mouth. It was an experience unlike anything I had felt before. And another thing – I had certainly proved them right about not being boring!

**W** We've always been ambivalent about British director Julien Temple. After all, *Absolute Beginners* is a dog's breakfast, and *The Great Rock 'n' Roll Swindle* is for Pistols fanatics only. But maybe his finest gift to the world is his daughter, Juno. She's only been acting since 2008, but she's had her fun-size funbags out in stacks of films, adding spice to 2008's *Kaboom*, 2012's *Little Birds* and this year's *Afternoon Delight*. Best of all? 2011's *Killer Joe* – a cracking movie, a cracking performance, and plenty of her crackers. We'll worship at this Temple... ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## SPHINXING TIME!

I've really got into anal masturbation over the last few months after Jayne, one of my closest friends, admitted that she'd let her boyfriend stick his cock in her arse. The thought of Jayne and what she had done became the central focus of my dirty fantasies. I imagined hiding in her bedroom while she had sex with her boyfriend, imagined ogling her wet, shaved pussy. I'd seen Jayne's pussy, her bum, and the rest of her when we'd ventured onto a nudist beach as a dare. Perhaps that was why it was so easy to picture her lying face-down on the bed. I had to 'invent' her rude little bumhole as I hadn't actually seen that, but I gave her a pretty little crinkle of skin from a girl I liked in an issue of *Club* and imagined her boyfriend's cock trying to force its way in.

I'd never tried playing with my bum before Jayne admitted to using hers, and it took a bit to work-out the best way to do it. I found that the best position was to lie across my bed with my knee resting on the headboard, that way both my pussy and bumhole were easily available to both fingers and toys. It gave me a thrill to fantasise about my friend and I wondered how she'd feel if she knew. It had started with me frigging my clit, with just a spit-covered fingertip up my bum, thinking about the intimate details Jayne had revealed to me. It was a cheap thrill, I knew, but I'd enjoyed it so much that it had quickly developed, both in terms of what I stuck up my bum and the dirtiness of my little scenarios. The one where I secretly watched Jayne being buggered was just one fantasy; there were others where I actually took part.

I started, as I always did, with my fingers. My pussy was wet and ready but my bumhole needed lubricating. I sighed as I felt the tiny ring tighten as the cold gel touched the sensitive skin of my anus. The initial touch always tickled and it still gave me a buzz to slip a finger inside, knowing that that orifice wasn't intended to be penetrated – it was so naughty and I loved it. After pausing to

“ Nothing had ever been so far up my back passage and the naughtiness made me want to orgasm ”

let the anticipation build, I forced another finger in beside the first. My confidence had grown with experience and I pushed both fingers right in, my mouth coming open as my ring surrendered. After sliding my fingers in and out of my now-slippery arse for a few minutes, I felt the need for my little toy.

Reaching back blindly, I grabbed one. It was the wrong one – it was the big eight-inch dildo that I use in my pussy. Feeling extra-naughty, I wondered what it would feel like to squeeze it into my bum. The idea thrilled me. It wasn't the length that was so exciting, it was the girth. I'd bought this toy because it was a bit thicker than my first boyfriend's cock and I'd wanted to 'practice' when he wasn't around.

It had never occurred to me to stick it up my bum before – if I could get this up, I should have no problem taking a real cock, just like Jayne had done. My next boyfriend might be getting very lucky, I thought to myself.

It was a struggle; even with a lot of lubrication. My ass was extremely reluctant to accept the new toy. I just went slowly and eventually, the head got inside – after that, things got much easier. I loved the way it stretched me even before I twisted the base to turn the vibrator on. I could feel it buzzing deep inside my bum. Nothing had ever been so far up my back passage and the naughtiness of it made me want to orgasm.

I started thinking, fantasising again. This

time I wanted to be Jayne. I stayed in position but imagined being on my knees and elbows, with my bum sticking high up into the air. Reaching around, I gripped the base of the toy and started thrusting it in and out of my bum, imagining it to be Jayne's boyfriend driving his cock in and out of my bottom. I groaned as I imagined Jayne there with me, kneeling beside me, her bare bottom also thrust into the air, just waiting. Her boyfriend swapped holes. As I frantically rubbed my clitoris, I imagined him taking his cock from my bumhole and driving it straight into hers.

Grabbing the small, smooth vibrator I brought it to life and pressed it between the folds of my labia. My pussy was incredibly wet and I felt rivulets of juice running down my inner thigh as I drove the slim toy into my hole. Having the two toys vibrating inside me felt amazing and I adapted my fantasy to include two guys. Suddenly there were two cocks fucking me, slowly at first but rapidly increasing their pace. I groaned with delight

as they fucked me, driving into my holes faster and faster.

I was so close to my orgasm. My clitoris was agonisingly sensitive, begging to be touched, to be rubbed again. If I could just spare a hand, I could be there in seconds. Pushing both toys deep inside, I held them in place with my left hand, which freed my right to rub my clit. In my fantasy, it was Jayne's fingers rubbing my searing flesh, trapping my labia, pinching them between thumb and forefinger.

Nearly there, I penetrated myself as deeply as I dared in both arse and pussy as I rubbed my clit. The filthy fantasy was still running through my mind, the spunk flying from both cocks as I rubbed myself to ecstasy. I came as I held the obscene image of Jayne rubbing my clit as she licked the combined spunk from both men off my bare bottom. It was an intensely powerful climax, making the bed shake as I howled in ecstasy.

As always, the toy buried in my arse drew out the pleasure of the orgasm and my body pulsed for a long, long time. I was just

thinking about extracting my sticky toys and cleaning-up when the phone rang. I wouldn't have answered it, except it was Jayne calling. "Hi Jayne," I said, happily, "I was just thinking about you." As I listened to the sound of her voice, I couldn't help but smile as my fingers automatically returned to my clit. She was excited about something, but I wasn't really listening. "Tell me everything," I said, wondering whether she'd notice if I made myself orgasm as she prattled-on. A part of me hoped she would.

#### **MODEL BEHAVIOUR!**

A few years ago I used to do a bit of modelling for catalogues, but I soon got bored of standing around for hours in frumpy knitwear. So when my mate Dale showed me a copy of your magazine and suggested, half jokingly, that I get into some nude work, I thought, 'Why not?' Guys have always gone gaga over my tits as they're big, yet very firm, so I looked around and found a few glamour jobs.

On these shoots, I'd just get my breasts

“Tom drove his huge cock straight up my arse until I could feel his balls slap my pussy lips”

out and fondle my pussy or dress up in sexy lingerie and spread my legs so the photographer could get some shots of my moist twat. I found I liked it, and wanted more! I'd heard about this photographer who was auditioning for models interested in doing harder stuff for the American market, and jumped at the chance. I put on my lucky pair of long black boots, turned up at the studio and met Tom, the photographer.

Fit and about forty, he loved the boots, and dressed me in a tight lace-up black leather corset with a studded leather bra. God, I felt horny, and gave Tom my best as he did a few preliminary shots and asked me about my experience.

“Well, I've got lots of experience of fucking,” I told him, spreading the lips of my gash and tickling my clit with a finger. “I've taken a few dicks up my arse as well, so bumshagging is not a problem,” I purred, embedding two fingers deep up my gash and wriggling them about so the juice squelched between them.

Tom had an obvious tent in his trousers by now. I decided I'd better give him an example of my skills, so as he came over for a close-up of my fanny, I leant forward and grasped his knob through his jeans. Tom smiled, pushed his camera aside and unzipped his trousers, revealing the tip of a monstrous prick. He uncoiled the giant from his pants like

some slumbering snake and rested the purple tip in the deep cleft between my tightly-restrained tits.

Leaning forward, I smeared some spittle onto the throbbing helmet and pushed it down into my cleavage as Tom thrust a hand between my parted thighs and began to finger my sodden hole. By pushing my leather-clad chest back and forth I found I could give Tom a pretty decent titwank. He seemed to be appreciating it as he inserted four big fingers up me, filling my cunt to bursting.

“Fancy some anal?” I said, like it was the commonest question in the world. Without waiting for a reply I stood, turned around, bent over the chair I was posing on and offered Tom my slightly parted arse cheeks for examination. I trembled as his heavy hands grasped my arse and spread my buttocks, stretching the taut muscle of my anus. Suddenly I felt the warm wetness of his tongue slide down my crack and come to rest at the entrance to my arse.

“Stick it in, you bastard,” I moaned and pushed my arse towards his face, relishing the tingles of pleasure coursing through my body as his tongue slipped into my tight tunnel and his mouth filled the gap between my cheeks.

“Okay, it's lubricated, now fill it with dick!” I yelled and nearly fell over as Tom drove his huge cock straight up my arse until I could

feel his balls slap my pussy lips. After the initial shock of his meat invasion I relaxed into the rhythm of his humping as I fingered my clit to speed myself to orgasm.

Tom leant around me and squeezed my tits hard, at the same time banging his cock up me to the hilt. At this a glorious climax exploded through my cunt. With my legs still shaking I pulled my arse off his knob, swivelled round and wanked his greasy, shining pole towards my waiting tits. His lovely cock began throbbing violently as I licked my lips and peered up at him through thickly mascara'd eyelashes.

The first blob of spunk hit my chin, the next my lips and the third found its target and slithered down my cleavage. More followed until the whole of my tits and the leather studded bra containing them were coated in thick goey seed.

After cleaning myself off, Tom offered me a job there and then, which is why I'm flying to America next month with a great set of pictures, a full wallet and one hell of a reputation to live up to.

Champion of the world...

WorldMags.net

Wo

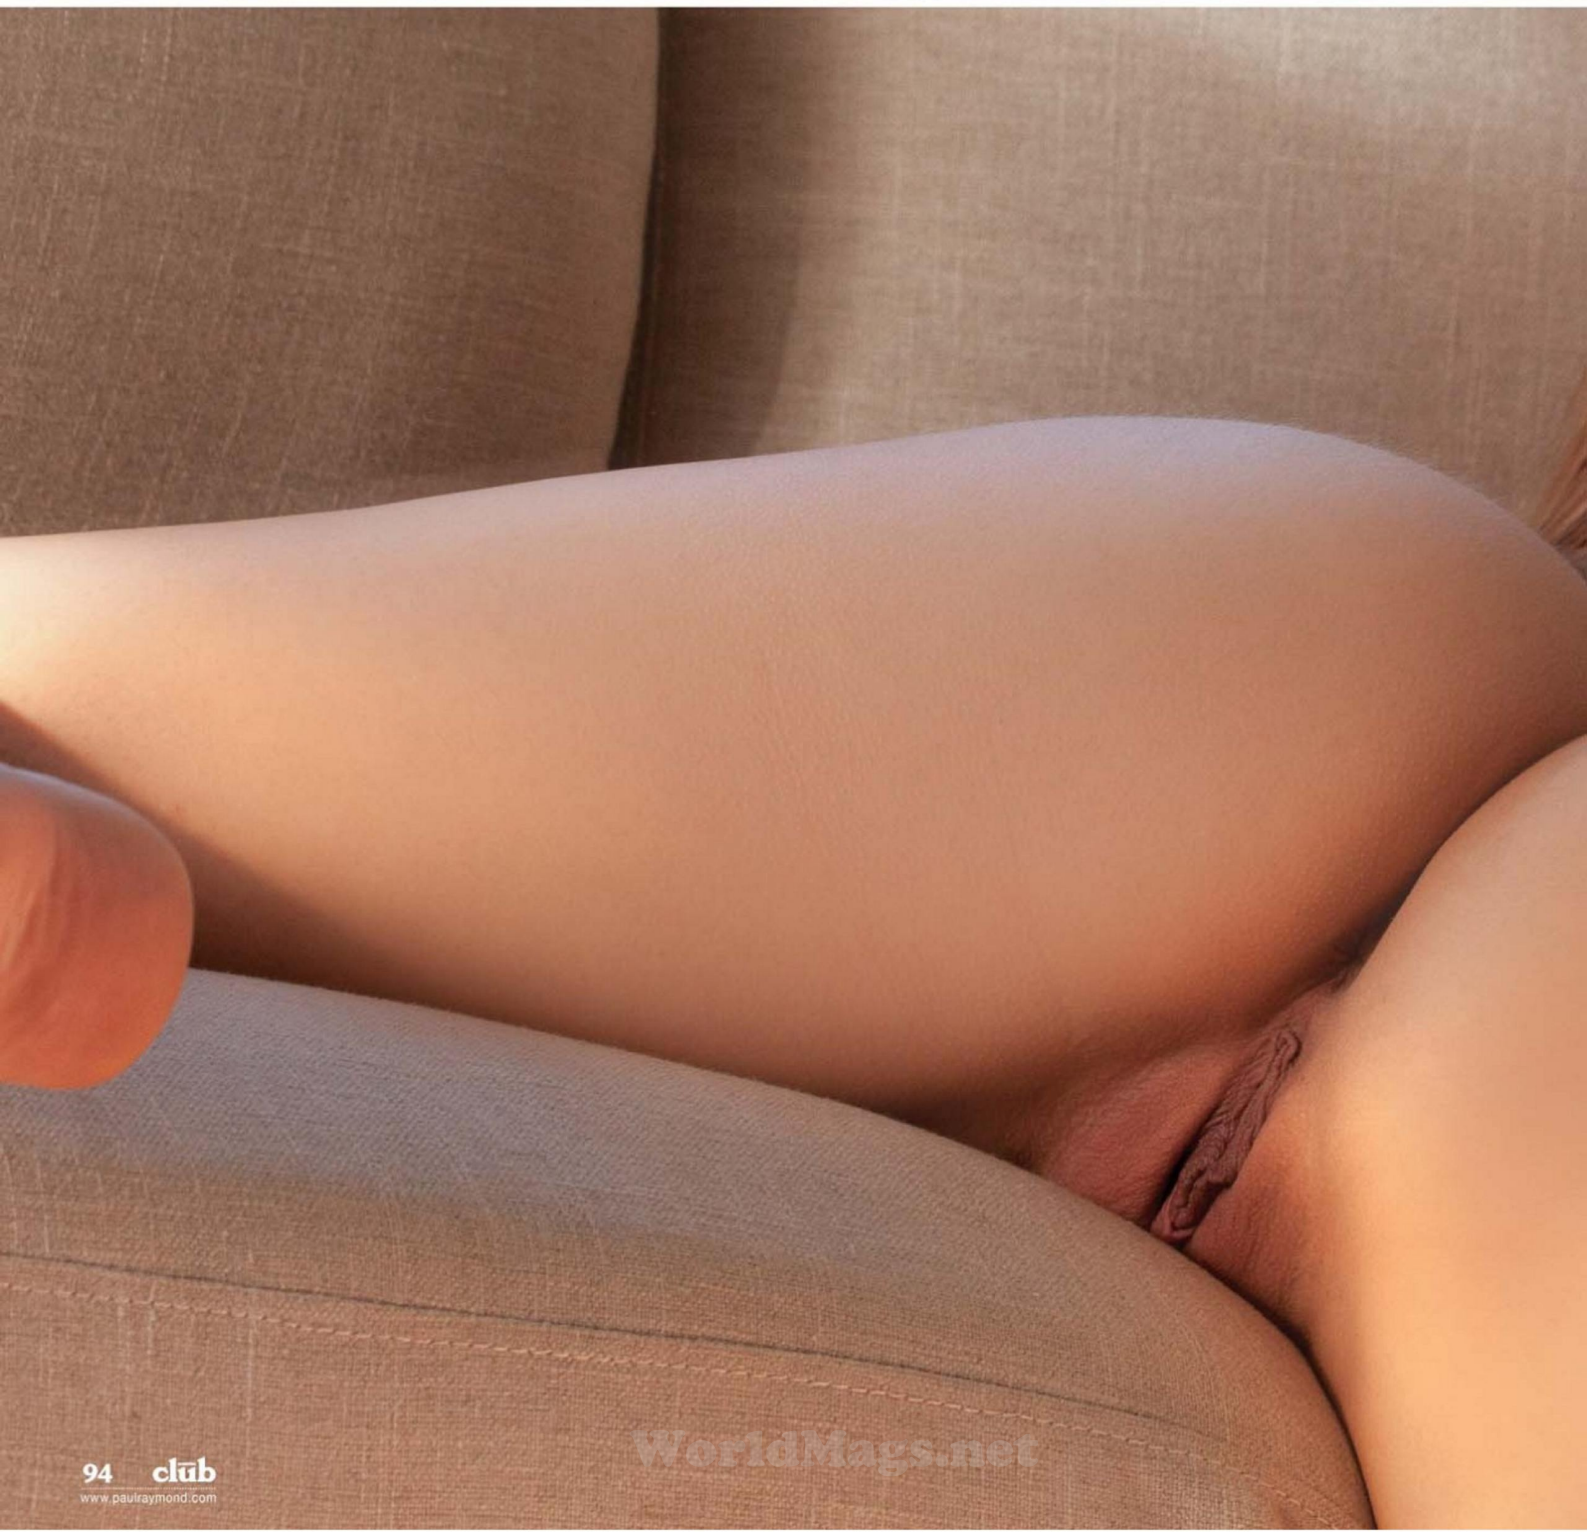

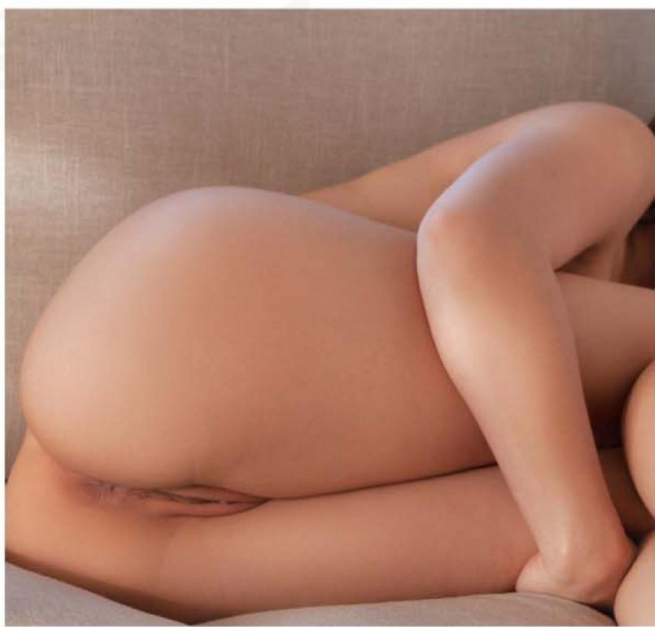

If you don't know who Dani Daniels is, it's time to get familiar. Over 100 films made since 2011, nominated for 9 AVN Awards, winning two including the Best Girl/Girl Sex Scene for 2013. Yup, the Cali cutie is a star.

"Thanks for the warm wishes, guys," she says, "it means a lot coming from a great magazine like *Club*. Maybe you guys want to come on set and watch me make my next film – I'm doing a guy and a girl at the same time, and sparks are gonna fly!"

Well, we can't afford the airfare, sadly, but we're there in spirit. And we're naked as well. In spirit. ♣

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Cut and Run!

Some people will go to extreme lengths to get out of paying their bar tabs. One such person, Robert Engles, whose wallet we can only assume is playing host to a family of moths, attempted to leave Centro Latin Kitchen in Boulder, Colorado without paying his bill, but was restrained and held by restaurant staff until the police arrived. The events leading up to Engles detention echo scenes from *The Shawshank Redemption*, though Andy's great escape wasn't brought to a halt by a 4½ ft fence. After cutting a hole in a plastic patio wall, Engles attempted to escape but couldn't quite manage the fence, it seems. All this for a \$33 bar tab? This guy's no Houdini!

Did you order the chimichangas?

## Shit a Brick!

The art of smuggling has always been a bit of a dirty business, but now it's a smelly one too. One 58-year-old convict at Welikada Jail in Colombo, Sri Lanka, got a slap on the wrist this week after attempting to smuggle a mobile phone in his rectum. Guards became suspicious when they heard a muffled ringing and, after locating the source, performed a cavity search and discovered not only the mobile phone but a hands-free kit as well. I bet he's thankful it's not the 80's.

You're not going to get a 4G signal in there, mate!

## The Sofa Job!

The Rules of Burglary: 1. Carefully select the items you wish to take. 2. Place the items in the back of your chosen getaway vehicle, making sure the stolen items are fully in and the doors are firmly shut. Clearly this three-man gang didn't read their handbooks! The only thing missing from this attempted robbery, caught on CCTV, was a Benny Hill soundtrack. The three men struck at Northampton Sofa King, haphazardly loading two £400 sofas into the back of a van before attempting a getaway with the doors wide open. Quick-thinking manager Justin Hallett briskly hauled both sofas from the back of the van before the men drove off. Perhaps a different line of action next time?

## Babynap!

Patrick Julbe and Jennifer Rodriguez left their seven-month-old daughter Ayanna to amuse herself in the back of their SUV, which was parked outside the Bronx store they had popped into. While their attention was engaged elsewhere they became the latest victim of carjacking, though the unknown carjacker got more than he bargained for with the tiny tot still strapped in the back. The look on his face must have been one I would have paid to see. The child was quickly returned to her parents – after two phone calls to the police the thief abandoned the car and made his getaway. Obviously he didn't fancy doing the midnight feed. ♣
